### SMUGGLING MUSEUM

The UK's largest collection of Cornish historical smuggling artefacts including numerous concealment devices used plus old swords and pistols, 17th century Spanish Armada chests and exhibits such as a human skull discovered 70 years ago in a filled in deep cellar. It lay with the rest of the skeleton in chains which bound the poor soul whose murder was almost certainly smuggling related. You also see a short film about Cornish smuggling and the part Jamaica Inn played in this.

The Museum also now features 35 exciting, recently acquired exhibits such as original royal letters to the couple from the Queen, Prince Philip and Prince Charles plus many revealing and very personal letters from Daphne about her life and that of her husband which were sent to her best friend Maureen Baker-Munton.
